Dear Sir or Madame:

Your organization is exempt from the District of Columbia Sales and Use Tax as a type of organization described above. In order to make tax-free purchases, a copy of your exemption letter should be given to vendors as evidence of the exempt status. Your organization may only use your exemption letter for purchases of taxable property and services for use and consumption in maintaining, operating, and conducting your activities. Officials, members or employees of your organization may not use your exemption letter for their personal use.

Instrumentalities of the Federal or District of Columbia Government making payments to the vendors with an authorized government purchase order or government check are not required to have an exemption letter.

If you have any questions, please call (202) 442-6586.

Sincerely yours,

Supervisory Tax Auditor
